

Location:	Lincoln, Nebraska
Rep:	Central Sales, Lincoln, NE
Specifier:	Sinclair Hill, Lincoln, NE
System:	Quatro System
Pendant:	3in Frosted Acrylic Globe

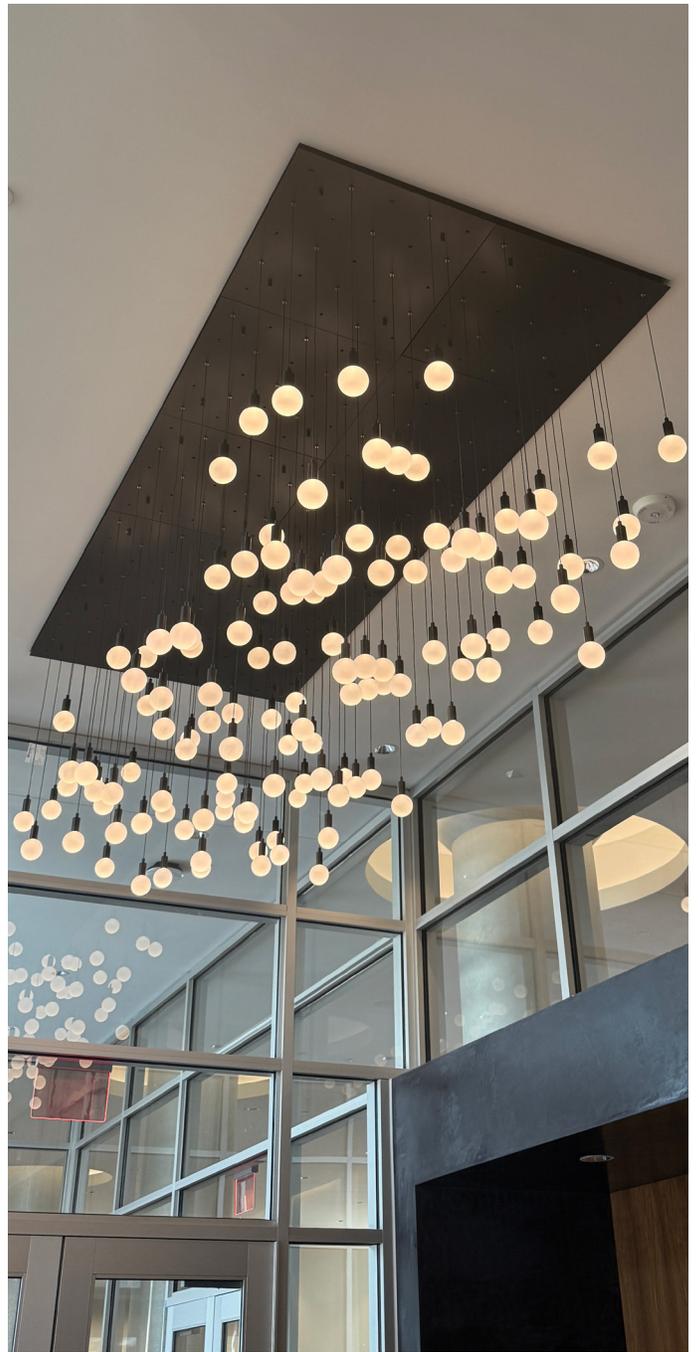

Challenge:

Incorporate a circular (concentric) "inverted wedding cake" pendant arrangement on a square Quatro canopy system. Additionally recess-mounting overall Quatro system so faceplates appear flush with surrounding ceiling.

Solution:

Strategic use of existing port locations and custom port locations on canopy faceplates. Provided detailed structural canopy engineering drawings and installation instructions for contractors.
